GOCC enrichment_MOC
cytoplasmic stress granule
eukaryotic 43S preinitiation complex
cellular bud neck
cell division site
phagophore assembly site membrane
Golgi membrane
nuclear envelope
endosome
spindle pole body
cytoplasmic vesicle
endosome membrane
membrane coat
cell cortex
phagophore assembly site
spindle
mating projection tip
cell cortex of cell tip
P−body
trans−Golgi network
actin cortical patch
mitotic spindle pole body
cell tip
cytoskeleton
Golgi apparatus
cytosol
intracellular anatomical structure
chromatin
